**CLASS PLAINTIFFS' OPPOSITION TO TRACK 2 DEFENDANTS'
MOTION TO STRIKE PORTIONS OF THE FOURTH AMENDED
MASTER COMPLAINT AND NOTICE OF ERRATA**

The Track 2 Defendants' motion to strike is predicated on utterly false claims: "plaintiffs are trying to expand dramatically the number of subject drugs by adding a score of new drugs." Defs' Motion at 1. Nonsense. When Defendants' bluster is carefully examined, in the course of exploring the payment records of the proposed new class representatives, Plaintiffs discovered *four* additional drugs purchased by these plaintiffs that were added to Appendix A. The addition of those drugs is just, proper and will not "descend this case into chaos." Defs' Motion at 1.

Further, the FAMCC identified the new plaintiffs and the drugs they purchased in the exact same manner that was followed with respect to Track 1.

I. RELEVANT FACTS

As Plaintiffs did in connection with the Track 1 Plaintiffs, in response to the Court's August 16, 2005 and October 17, 2005 Orders, Plaintiffs filed the Fourth Amended Master Consolidated Class Action Complaint ("FAMCC"). In the FAMCC, Plaintiffs identified the

Track 2 drugs for each proposed representative. For example, the Complaint alleges for new Plaintiff Harold Carter as follows:

16. Plaintiff Harold Carter resides in Austin, Texas, and is a 74 year-old, retired wholesale florist. He is a Medicare beneficiary who currently receives partial assistance from Sterling to help defray a portion of his co-insurance obligations under Medicare Part B for his medical care and treatment. Mr. Carter takes prescription drugs for coronary artery disease and other medical conditions, including prostate cancer. During the applicable time period, Mr. Carter was prescribed, and was charged for, the following physician-administered prescription drugs, based in whole or in part on AWP: adenosine (Abbott and Fujisawa), darbepoetin alfa (Amgen), and epoetin alfa (Amgen and the Johnson & Johnson Group). It has been difficult for Mr. Carter to pay for the high cost of these and other medications, as his supplemental insurance required him to make percentage payments. On a least one occasion Mr. Carter's doctor did not prescribe a medication because Mr. Carter could not pay for it. Mr. Carter is a proposed class representative for Abbott, Amgen and Fujisawa.¹

Thus, contrary to Defendants' bluster, the FAMCC specifies which Defendant Mr. Carter is a representative for. Mr. Howe, who has already been appointed a class representative, made the following allegations:

18. Plaintiff Robert Howe resides in Mapleton, Oregon, and is a 79 year-old Medicare beneficiary, with supplemental insurance coverage through United Health Care of Utah. Before he died, Mr. Howe was treated for prostate cancer. During the applicable time period, Mr. Howe was prescribed, and was charged for, among others, the following physician-administered drugs, based in whole or in part on AWP: dexamethasone sodium phosphate (Baxter, the Fujisawa Group, the Sicor Group, and Watson), docetaxel (the Aventis Group), gentamicin sulfate (Abbott, Baxter, the Fujisawa Group, and Watson), goserelin acetate (AstraZeneca), granisetron (the GSK Group and Hoffman-LaRoche), novatrone (Immunex) and pegfilgrastim (Amgen). Mr. Howe has made payments for the foregoing drugs, as his supplemental insurance required him to make percentage payments for his drugs. Mr. Howe is a proposed class representative for, among other defendants, Amgen, AstraZeneca, Aventis, GSK, Sicor and Watson.

¹ Abbott, Amgen, and Fujisawa are all Track 2 Defendants.

Again, the FAMCC specifies the Track 2 Defendants. Mr. Howe is a proposed representative for Amgen, Aventis, Sicor and Watson.

In the course of examining the new representative payment records, Plaintiffs discovered *four* new physician-administered Part B drugs that were paid for out-of-pocket by these Plaintiffs. Those drugs, and just those drugs, were added to the FAMCC. In addition, Plaintiffs have been producing relevant records and witnesses on the adequacy issues as required by the October 17, 2005 Order.

II. ARGUMENT

A. The FAMCC Adds Just Four New Drugs the Addition of Which Confer Standing as to Certain Defendants

In the course of preparing the FAMCC, and in reviewing the drug history records of the proposed representatives, class counsel discovered four new Medicare Part B covered drugs that were paid for by these Plaintiffs: Eligard, Depo Provera, Trelstar and KetoZlar.² These new drugs are identified in the Proposed Class Certification Order (attached as Exhibit A hereto). Thus, the notion that there are scores of new drugs is, to be blunt, ludicrous.

Since Plaintiffs only recently began identifying proposed representatives in response to the Court's October 17, 2005, it is not unjust having now discovered additional Part B covered drugs subject to the same scheme to add these to Appendix A. Defendants cannot really suggest that an entire new complaint be filed and new litigation commenced.

Finally, the Court is aware how difficult it was to find healthy Plaintiffs who could testify and be subject to Defendants' attacks. For some Defendants, for example Pfizer, the addition of Depo Provera provides standing as to Pfizer that otherwise would not exist.

² For appellate purposes, oral drugs are listed in the FAMCC.

B. The FAMCC Does Tie the Proposed Class Representatives to the Track 2 Defendants

Defendants' complaints about tying a class representative to a Defendant are mystifying given the fact that the Proposed Class 2 Certification Order makes clear the tie to each Defendant if the FAMCC did not do so:

The Court certifies the following plaintiffs as representatives of these Subclasses pursuant to Fed. R. Civ. P. 23(b)(3). Harold Carter (Abbott, Fujisawa, Amgen); Roger Clark (Baxter, Abbott, Bayer, Sicor, Amgen, Pfizer); Susan Ruth Aaronson (Aventis, Baxter, Dey, Pfizer, Abbott, Sicor, Fujisawa, Watson); Joyce Howe, individually and on behalf of the Estate of Robert Howe (Baxter, Fujisawa, Sicor, Watson, Aventis, Abbott, Immunex, Amgen); Larry Young, individually and on behalf of the Estate of Patricia Young (Aventis, Fujisawa, Pfizer, Pharmacia, Abbott, Bayer, Watson, Baxter, Sicor, Amgen); Roger Clark (Baxter, Abbott, Bayer, Sicor, Fujisawa, Watson, Amgen, Pfizer); James Monk (Aventis); Virginia Newell (Amgen, Aventis); Oral Roots (Pfizer, Dey); and Hunter Walters (Dey). The representative of a Subclass need only have paid for one of the Subject Drugs manufactured or marketed by a defendant group.

This tie comes directly from the FAMCC. For example, the FAMCC alleges as to Plaintiff Roots:

23. Plaintiff Oral Ray Roots resides in Wichita, Kansas and is an 82 year old Medicare recipient with supplemental insurance through AETNA. During the applicable time period, Mr. Roots was prescribed, and was charged for, among others, the following physician-administered drugs, based in whole or in part on AWP: albuterol sulfate (Dey, the GSK Group, and the Schering-Plough Group) and depo provera (Pfizer). Mr. Roots has made payments for the foregoing drugs because his supplemental coverage required him to make payments for them. Mr. Roots is a proposed class representative for, among other defendants, **Dey**, **Pfizer** and **Schering-Plough**.

And for Plaintiff Walters:

24. Plaintiff Hunter G. Walters resides in Bandalia, Michigan and is a Medicare recipient with no supplemental insurance. Mr. Walters receives medication for emphysema and prostate cancer. During the applicable time period, Mr. Walters was prescribed, and was charged for, among others, the following physician-administered drugs, based in whole or in part on AWP: albuterol sulfate (Dey, the GSK Group, and the Schering-Plough

Group) and ipratropium bromide (Dey). Mr. Walters has made payments for the foregoing drugs. Mr. Walters is a proposed class representative for, among other defendants, Dey and Schering Plough.

Thus, each Track 2 Defendant is on notice of the drug paid for, which is exactly what was required by the Court.

III. CONCLUSION

The Track 2 Defendants' motion to strike should be denied.

CLASS CERTIFICATION TRACK 2¹ [VERSION 1]**

_____, 2006

Saris, U.S.D.J.

Pursuant to Fed. R. Civ. P. 23, plaintiffs have moved for an order certifying a class in this action. After considering the submissions of the parties and the record in this case, I order that plaintiffs' motion for class certification is **ALLOWED IN PART and DENIED IN PART** as to the claims asserted in the Fourth Amended Master Consolidated Class Action Complaint ("FAMCCAC"). The Court relies on the reasons stated in court during the Track 1 certification proceedings and in *In re Pharm. Indus. Average Wholesale Price Litig.*, 230 F.R.D. 61 (D. Mass. 2005). The classes are certified as follows:

I. CLASSES AND SUBCLASSES CERTIFIED

A. Class 1: Medicare Part B Co-Payment Class

1. Class Definition:

All natural persons nationwide who made, or who incurred an obligation enforceable at the time of judgment to make, a co-

¹ This Proposed Order reflects the same approach used by the Court for Track 1. Plaintiffs are also seeking a proposed alternate order that contemplates a multi-state Class 2.

payment based on AWP for a Medicare Part B covered Subject Drug² that was manufactured by Abbott, Amgen, The Aventis Group, Bayer, Baxter, Dey, Fujisawa, Immunex, Pfizer, Pharmacia, The Sicor Group and Watson. Excluded from the Class are those who made flat co-payments, who were reimbursed fully for any co-payments, or who have the right to be fully reimbursed; and the residents of the states of Alabama, Alaska, Georgia, Iowa, Kentucky, Louisiana, Mississippi, Montana, and Virginia (where consumer protection statutes do not permit class actions).

2. The Court certifies eleven Subclasses corresponding to each of the defendant groups.
3. The Court certifies the following plaintiffs as representatives of these Subclasses pursuant to Fed. R. Civ. P. 23(b)(3). Harold Carter (Abbott, Fujisawa, Amgen); Roger Clark (Baxter, Abbott, Bayer, Sicor, Amgen, Pfizer); Susan Ruth Aaronson (Aventis, Baxter, Dey, Pfizer, Abbott, Sicor, Fujisawa, Watson); Joyce Howe, individually and on behalf of the Estate of Robert Howe (Baxter, Fujisawa, Sicor, Watson, Aventis, Abbott, Immunex, Amgen); Larry Young, individually and on behalf of the Estate of Patricia Young (Aventis, Fujisawa, Pfizer, Pharmacia, Abbott, Bayer, Watson, Baxter, Sicor, Amgen); Roger Clark (Baxter, Abbott, Bayer, Sicor, Fujisawa, Watson, Amgen, Pfizer); James Monk (Aventis); Virginia Newell (Amgen, Aventis); Oral Roots (Pfizer, Dey); and Hunter Walters (Dey). The representative of a Subclass need only have paid for one of the Subject Drugs manufactured or marketed by a defendant group.
4. The consumer protection act of each state shall apply to these Subclasses. Specifically, the Medicare Part B Co-payment Class is certified for claims under the following statutes: (a) Ariz. Rev. Stat. § 44-1522, *et seq.*; (b) Ark. Code § 4-88-101, *et seq.*; (c) Cal. Bus. & Prof. Code §§ 17200, *et seq.*; (d) Colo. Rev. Stat. § 6-1-105, *et seq.*; (e) Conn. Gen. Stat.
